This is the people directory, a list of people working in this workspace. It is built by you, as a place to introduce yourself. Please add yourself below and then create your own homepage.

Find out more: Introduce yourself.

- *your name here* (e.g. John or Jane Doe)

Meet your fellow socialtext users. You're not alone! Meet other Socialtext customers and support representatives on the Socialtext Customer Exchange. If you have a question, this is the place to go.
